 ”

Indigo Heights Hotels & Resorts General Manager Syed Amir Altaf visited COTHM and appreciated COTHM’s contribution to the hospitality industry in Pakistan.

He praised the professional behavior and performance of COTHM’s students working at various hotels and restaurants.

He said “Where ever I go and work, I find COTHM’s students already working there in a professional way. It is a matter of pleasure that COTHM’s students, as a product, are competing in the international markets. I wish COTHM’s students enlighten Pakistan’s name across the globe.”
